Media”*

## Information and Volunteer Centre For Strathcona County

# Volunteer Recruitment Promotion & Media Guide

This guide is intended to assist non-profits in the area of their volunteer recruitment promotions. We have given you the most current (from when we last updated) contact information for many manners of media. Newspapers, television, radio, websites and bulletin boards. We have covered Strathcona County and many of Edmonton resources. We have tried to include what type of information you need to include and whether the service is free and if it isn't, what the fee may be!

We do not guarantee that this covers all media...just the ones we could think of!

You can use this information in many ways. Some of these might include:

- ◆ You could develop a relationship with the necessary people at the station.
- ◆ You may be able to advertise for a volunteer position.
- ◆ You might want to advertise a special event at your agency.
- ◆ You may be hosting a workshop or seminar and need to let community members know about it.
- ◆ You might want to send a press release.

If you ever want an updated copy please give our office a call or check out our website at [www.ivcstrathcona.org](http://www.ivcstrathcona.org).

We welcome any additions or suggestions.
